

With **Individual Dental Coverage**, you get the same kind of dependable dental benefits offered by employee group plans.

Choose coverage for yourself or your whole family

Delta Dental Individual and Family plans are available at competitive rates, flexible payment options, free choice of dentist (in- or out-of-network), excellent customer service, and much more! People have different needs; that's why we offer several different coverage options.

Some of the plan highlights include:

- Up to 100% coverage for diagnostic and preventive services like exams, cleanings, and x-rays
- Coverage for basic restorative services like fillings, extractions, and periodontal maintenance
- Coverage for major restorative services like root canals, crowns, dentures, and implants on select plans
- High annual maximums up to \$2,000 per person
- One-time deductible
- Access to the nation's largest dental PPO network¹
- Vision discount program included with all plans

From the most trusted name in dental benefits...

Delta Dental Individual and Family plans focus on your good health by excluding costs for diagnostic and preventive services from your annual maximum, effectively preserving your benefits for other dental services.

Northeast Delta Dental Individual and Family PPO Plans

Many often take their oral health for granted. Good oral health, however, enhances our ability to speak, smile, smell, taste, chew, swallow, and convey our emotions through facial expressions. All have a big impact on how we perform at school, work, or in social situations. Taking care of oral health on a routine basis can help you and your family avoid oral diseases later in life.

Northeast Delta Dental, the region's trusted leader in dental benefits, offers dental choices to individuals and families for whom employer sponsored dental benefits are unavailable. Below is an overview of the options available.
